MUSIC, CAMARADERIE AND FESTIVE CHEER

Last Saturday evening was one filled with a festive cheer, wonderful fellowship among members, soul-stirring music, and an excellent dinner as the Club put together a special celebration that reflected warmth, camaraderie, and elegance.

The front lawn rocked, first with our Women's Forum rendering Christmas songs and a skit, before popular rock star Nandu Leo took over with his patented style of soulful music. He was joined for a few scintillating numbers by TTC's own Deanne Maria Rodricks.

The air was filled with spirit of Christmas, a sure sign that the most joyous season of the year is upon us.
