KL'S TOP CLUB TIES UP WITH TTC

Often referred to as Malaysia's premier Club, the Royal Lake Club in Kuala Lumpur is a prestigious new affiliation for TTC. Founded in 1890, it is centrally located in KL amidst the lush, green Lake Gardens, and in the shadow of the House of Parliament. The affiliation will be a boon for any of our members travelling to the Malaysian capital. RLC's 7 tennis courts include 4 with artificial grass.

SMASHING SHOW BY MS KRISHNAKUMAR

Kudos to M S Krishna Kumar for finishing runner-up in the 45+ Men's Singles at the ITF Masters 400 in Dubai. He pulled off stunning victories against Poland's 3rd seed Andrzej Misiek in the quarters, and Italy's top seed Mario Riccio in the semis. He narrowly lost the final to Belgium's Dries Depla in a super tie breaker.

AFFILIATION WITH JAIPUR CLUB

We now have an affiliated Club in the Pink City. Jaipur Club, founded in 1890 at the initiative of some Rajas and Thakurs of Jaipur State, and originally known as Polo Club, has confirmed tie up with TTC. This is our 6th affiliated Club in tourism-friendly Rajasthan, but the first in its capital city. Jaipur Club has wonderful sporting and other facilities. Check out jaipurclub.in for further information.
